Dear Stan:

STAT
STAT
It has been brought to my attention that [] a member of the SFRC staff who works closely with Senator Glenn, is currently under investigation for [] security clearance. The investigation has taken over nine months, far longer than normal.

As you know, Senator Glenn will play a leading role in the debate on the ratification of the SALT TWO agreement. I believe that his determination as to the verifiability of SALT TWO will carry great weight in the Senate, and that his active and informed participation will be of extreme importance to the Administration.

STAT
STAT
[] as the SFRC's principal staff member on SALT verification, will have important responsibilities regarding the interpretation and analysis of the data that the Administration transmits to the Senate on this issue. Accordingly, I would be very grateful if you could see that [] [] security investigation is handled in an expeditious manner. I appreciate your help in this matter. STAT

Sincerely,

The Honorable
Admiral Stansfield Turner,
Director of Central Intelligence.
